

## **Medik8 Peels**

Choose from any of the following resurfacing peels to suit your skins needs, a full consultation and diagnosis of your skin will be carried out prior to you peel journey, whether it be a one off treatment to brighten the skin or a course to irradiate skin problems we have a custom made gentle resurfacing treatment for you..

## **Universal**

Suitable for everyone and any skin concern, it visibly brightens, smooth's, decongests and revitalises the skin. Ideal for a first time peel or to maintain results from other peels.

## **Rewind**

A targeted formulation that helps to promote collagen production to reduce the appearance of fine lines and wrinkles. It fades imperfections. Leaving the skin visibly smoothed and rejuvenated.

## **Even**

A brightening peel targeting sun damage, hyper-pigmentation and dull uneven skin. Helping to minimise melanin production, the Even peel visibly fades pigmentation for a more even and radiant complexion.

## **Sensitive PHA**

A new addition for extremely sensitive or redness-prone skin to visibly smooth skin texture and help promote a stronger skin barrier.

## **Medik8 Eye Peels**

A resurfacing treatment designed for the delicate eye area. An ultra-gentle but effective solution to target signs of ageing around the delicate eye area.

**Patch test is required prior to your first skin peel treatment**
